Dear Prof. M. Michalodimitrakis  
President of the Hellenic Association of Forensic Pathology

*Dear colleague:*

Thank you for the letter informing about the “birth” of “The Hellenic Society of Forensic Pathology” in Greece. The International Academy of Legal Medicine is happy to know that a new society has born and is available for the establishment of future cooperation between our organizations, namely in the field of international standards in forensic pathology and in the Program of Continuing Education of all forensic experts of Greece

We also congratulate you for having being elected unanimously President of the Hellenic Society of Forensic Pathology and we strongly appreciate and support your efforts to improve the Greek situation in the area of forensic pathology.

Kind regards

Prof. Duarte Nuno Vieira

IALM President 2006-2012
